Approved by the Commission:

C. B. Henderson, M.D., *Chairman*

AUDITOR'S REPORT

To the Chairman of the
Medical Services Commission of British Columbia, and
To the Minister of Health,
Province of British Columbia:

I have examined the balance sheet of the Medical Services Commission of British Columbia as at March 31, 1990 and the statement of operations for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Commission as at March 31, 1990 and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

GEORGE L. MORFITT, F.C.A.
Auditor General

Victoria, British Columbia
June 15, 1990

MEDICAL SERVICES COMMISSION OF BRITISH COLUMBIA

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1990

1. SIGNIFICANT ACCOUNTING POLICIES

The Commission

The Medical Services Commission was established, effective July 1, 1968, by the Government of the Province of British Columbia under the *Medical Service Act* and Regulations, to administer and operate the Medical Services Plan.

Basis of Accounting Principles

These financial statements have been prepared in accordance with generally accepted accounting principles.

Specific Accounting Policies

The cost of furniture and equipment is charged to administration expense in the year of acquisition.

The Province of British Columbia absorbs certain administration and accommodation costs associated with the operation of the Commission. In addition, superannuation and leave entitlement liabilities relating to the Commission are recorded as obligations of the Province.

2. UNPAID CLAIMS

The liability for unpaid claims represents unpresented and unprocessed claims for services provided, and is based on both current year claims received after year-end and past claim experience and trends.

3. CONTRIBUTIONS FROM THE PROVINCE OF BRITISH COLUMBIA

	1990	1989
	$	$
	(thousands of dollars)	
Contributions	1,007,010	949,697
Premium Assistance	164,929	145,416
	1,171,939	1,095,113

The *Medical Service Act* provides that the Province of British Columbia may pay for expenditures of the Commission out of an appropriation and shall pay premium assistance for qualified subscribers whose incomes are below specified amounts.

4. CONTINGENT LIABILITY

(a) In the 1988/89 fiscal year an action was commenced by physicians in the section of Emergency Medicine of the British Columbia Medical Association claiming damages, together with interest and costs, for payments allegedly withheld by the Commission. The amount of the damages is not stated in the Writ of Summons served on the Commission. It is the opinion of the Commission's management and its legal counsel that the physicians have no cause of action.

(b) The latest Memorandum of Agreement with the British Columbia Medical Association covered the term from April 1, 1986, to March 31, 1989. As at the date of these financial statements a new agreement had not yet been negotiated. The cost of a new agreement and whether it will be retroactive to April 1, 1989, cannot be determined at this time.

5. MEDICAL CARE SERVICE UTILIZATION SETTLEMENT

Under the terms of a memorandum of agreement for the period April 1, 1986 to March 31, 1989, between the Commission and the British Columbia Medical Association, the Commission may recover payments made for medical services considered to have arisen due to overutilization, or, may be required to make payment when underutilization has occurred. Any recovery or payment is recognized in the fiscal year when an agreement is reached between these parties.

A payment settlement of $7,503,085, relating to the 1986 to 1989 fiscal years, was agreed to in January, 1990, and recorded in the 1989/90 medical care expenditures.

NOTE CONCERNING THE FOLLOWING SCHEDULE OF PAYMENTS

The figures listing gross payments for the cost of insured services as listed herein on pages 7 to 34 under the heading "Schedule of Payments by the Medical Services Plan to Societies, Hospitals, Health Departments, Health Organizations, Practitioners, and Clinics for Insured Services" are being published in compliance with the *Financial Information Act*, S.B.C. 1985, c. 8 and B.C. Reg. 131/87 deposited May 8, 1987.

Persons reading these data should understand that they provide *only* a record of *gross* payments. Since practitioners must pay the expenses of their practice out of this gross amount, no calculation of a practitioner's net income can be made from such figures.

Furthermore, since overhead varies greatly from practitioner to practitioner, and since in some instances the recorded figure is a payment for the services of a number of practitioners, no conclusions can be drawn from these figures about the relative net income of any practitioner.

The Chairman and all staff of the Commission are public servants. Therefore, details of employee salaries, wages, travel expenses and payments to suppliers for administrative services are included in the Public Accounts of the Province.

SCHEDULE OF PAYMENTS BY THE MEDICAL SERVICES PLAN TO SOCIETIES, HOSPITALS, HEALTH DEPARTMENTS, HEALTH ORGANIZATIONS, PRACTITIONERS, AND CLINICS FOR INSURED SERVICES

The following is a list of gross payments made for the cost of insured services, showing each individual account in an amount of $5,000 or more paid during the fiscal year ended March 31, 1990, and showing all other accounts paid as a consolidated total. These are gross amounts listed alphabetically by person, group, clinic, or hospital to which or in respect of which payment was made, and in some instances payment includes services rendered by a number of practitioners.
